

Support Your Local Musicians!

Founded in 1962, the Skagit Community Band is composed of amateur musicians who pay annual dues for the pleasure of performing. Its hall rental, music, and professional director are supported by concert revenues and donors.

For a donation of \$100 or more, you can sponsor a new piece of music, and your name will appear in the concert program along with the music that you sponsor. All donors of \$25 or more will be listed in our program.

If you can help support us, please fill out this form and mail it to SCB at the address below. Thank you!
